On June 2015, the SSPF claimed that there were five more gang members on India's streets as of June this year. In March 2015, police in Srinagar also identified three people as gang members. The first man identified thus far is Nisar Ahmed, from the same locality as the first alleged gang member. He had been arrested in 2003 by Srinagar Police during the course of an investigation into the murder of a senior school principal in 1999. Two days before that, another gangster was arrested along with his father when they had been involved in a robbery.. When asked about the arrests, SSPI said, "Two suspects will appear before a court next week to make a detailed statement. However, they might decide to avoid any further action pending their statement after such a session as they will take the opportunity to prepare.".. In June 2014, Srinagar, with Srinagar police, conducted a search of one of Srinagar's mosques (shivchalisainjara). In September 2014, the same police conducted a search of another. The same month, while they were conducting search in one case, they found six "suspicious packages" which were also delivered to the police in a different case. [Heroes Season 2 Hindi Dubbed](#)
